## *Scratch & Handicap Singles 2018/19*

### **Bowlers can opt to qualify only in the Handicap Section (Monthly & End of Season Finals)**

- Up to 2016/17 all bowlers competed to qualify in both Scratch & Handicap sections (Monthly and End of Season).
- With the positions in the Scratch section being filled first, this could lead to a bowler with Handicap qualifying in the Scratch Section (to do so they had clearly bowled well) but many felt they were at a disadvantage over playing in the Handicap section.
- For the 2017/18 season bowlers were allowed to choose to qualify in the Handicap section only.
- 12 Bowlers took this option and it worked out well and will continue for the 2018/19 season.

**The organising committee can only accept this request if the form below is signed and submitted before any event is played**
